VERSE 1

D After His resurrection, **Em** Jesus gave,

Em A gift to us, so **D** He could save

D Us from our sins and **Em** set us free.

Em That is what all **D** Catholics believe!

CHORUS

D Confession, forgiveness, **Em** conversion too.

Em The Sacrament of Penance, **D** is oh so true!

D Tell the priest all the **Em** sins you've done,

Em And he will give you **D** absolution.

VERSE 2

D When we sin, it **Em** brings us down,

Em But God's love is the **D** best in town.

D So we should say sorry and **Em** kneel and pray,

Em "Lord help me be **D** good today."

CHORUS

VERSE 3

D The priest is there, to **Em** help us repair,

Em The harm we've done, and **D** to declare

D That sins are forgiven, **Em** we are free

Em To face the world, with **D** God's mercy.

CHORUS
